Inhance Once And Done

SOLVENT BASED ENHANCER AND SEALER FOR NATURAL STONE

BENEFITS

- Interior or Exterior use
- Seals and Enhances in 1 application
- Deep and rich color enhancement
- Low VOC (less than 100 g/l)
- Excellent water and stain repellency
- Deep penetration
- 15 year protection

DESCRIPTION:

Inhance Once And Done is an excellent GREEN low VOC solvent based sealer formulated to protect and highlight the character and beauty of unsealed natural marble. It rejuvenates the color and improves the appearance of worn and weathered marble. An invisible barrier is formed that resists water, grease, oil, stains, and dirt. Allows moisture-vapor transmission.

TEST A SMALL AREA:

According to application instructions with a 24-hour cure time to determine desired results. Test for stain repellency using likely contaminants

WARNINGS:

Keep out of reach of children. Once enhanced, marble cannot be restored to original color appearance. Use in well-ventilated areas. Avoid prolonged skin contact. Rubber gloves and eye protection should be worn during application.

USES:

Use on unsealed marble, granite, natural stone, unglazed tile, travertine, fabricated stone, and tumbled stone. Effective for interior and exterior applications. Works on most porous architectural substrates.

EXPECTED WEAR:

Will vary from application to application, and is affected by a number of factors including surface texture and hardness, traffic and surface wear, and weather conditions (exterior applications) but can be expected to last up to 15 years on interior applications and up to 7 years on exterior applications.

APPLICATION:

- 1.) Read entire label before using.
- 2.) Surface must be clean, dry, and free of existing sealers or coatings.
- 3.) Apply using a sponge, paint pad, or cotton towel.

NOTE: Be sure that any sealer that does not penetrate surface is polished dry off surface within 5 minutes of application using absorbent paper or cotton towels.

- 4.) If 2 or more coats are applied, allow a minimum of 30 minutes drying time between coats.
- 5.) Ready for surface traffic in 12 hours after final coat. Keep dry for 12 hours. Achieves full cure in 48 hours. Some highly porous surfaces may require an additional coat after full cure.

6.) Clean applicator tools with mineral spirits after each use.

LIMITATIONS:

Do not allow sealer to come in contact with any non-recommended surface as product is not completely removable. Sealers and finishes should not be used before or after use of Inhance Once And Done. **If Inhance Once And Done is not WIPED COMPLETELY DRY within 5 minutes, a residue may form.** If residue occurs, use a scrub brush with alcohol to remove. Keep floor surfaces dry and clean to reduce possibility of slip-fall accidents. Routine pressure washing will affect expected wear. Sealer will not prevent surface wear or washing from acids or caustic chemicals.

COVERAGE:

Coverage is 500 to 1500 sqft per gallon per coat, but will vary depending on type of stone, porosity and texture of surface absorption, temperature, humidity, and method of application.

HANDLING AND STORAGE:

Close container tightly after each use. Store in original container only. Store and use in temperatures between 40° and 90°F (4 °C and 32°C). Unused, stored product is freeze-thaw stable. Dispose of residue or any unused leftover product in accordance with applicable federal, state, and local requirements.

FIRST AID:

If ingested: if person is conscious, immediately give 2 glasses of water and induce vomiting. Seek medical attention. **Eye contact:** Flush with water. If irritation persists, seek medical attention. **Skin contact:** Wash immediately with soap and water. If irritation persists seek medical attention. **Inhalation:** Relocate to fresh air. If symptoms persist, seek medical attention.

WARRANTY: SATISFACTION GUARANTEED, If not completely satisfied with this product's performance, **when used as directed**, contact VanHearron Inc for exclusive remedy of either refund of purchase price or replacement of products upon return of unused portion with proof of purchase with one year of purchase. Determining suitability of product for any intended purpose shall be solely the responsibility of the user. THERE ARE NO WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE, V EXTEND BEYOND THE DESCRIPTION ON THIS LABEL. VanHearron Inc IS NOT RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMA HOWEVER OCCASSIONED.
