

Mighty Indigo Cling

Technical Data Sheet

AMBIENT TEMPERATURE LOW EFFORT CLEANER / DEGREASER

BENEFITS

- Deep cleaning with minimal effort on grout, tile, natural and fabricated stone, polished stone, and contains a biocide that KILLS and removes mold and mildew.
- Environmentally friendly, no CFC's
- Excellent detergency and oil coupling
- Non-Toxic, VOC compliant (less than 75 g/l)
- Non-Flammable – Flash Point > 200° F
- Low Odor, Non-hazardous, pH 10.5. Biodegradable, COD=600 mg/gm

DESCRIPTION:

Indigo CLING is a slightly alkaline water solution of anionic oil splitting surfactants used in heavy-duty industrial applications primarily for ambient, low effort cleaning. Mighty Indigo is a high performance detergent with a high dispersive capacity, excellent wetting, superior detergency and unique coupling characteristics.

Test application should be performed especially on painted surfaces.

WARNINGS: Protect from freezing. May affect soundness of some paints. Skin contact should be minimized by wearing gloves, appropriate clothing, and eye protection. Protect all non-targeted adjacent surfaces, window glass, vehicles, aluminum, paint films and plant life. Remove overspray immediately with water. Use in a well-ventilated area.

GENERAL USES:

Household uses: Very effective on grout, tile, natural and fabricated stone, polished stone, and many, many other surfaces. Will remove stubborn stains from surfaces especially grout and porous stone, even old set in stains. Light brushing with a stiff bristle brush may be necessary on certain stains and buildup. Will remove grime, kitchen staining, food stains, greases and oils, and a wide variety of other organic compounds. Mighty Indigo is safe on most surfaces but always test in an inconspicuous area to determine suitability.

APPLICATION:

Shake well. Use a low-pressure sprayer, brush or broom. Application temperature range 40-100°F. Remove as much of stain buildup as possible. Apply sufficient material to thoroughly wet the surface. Allow to work on surface 5-15 minutes depending on severity of stain. Use a stiff bristle brush or broom in circular motion on severe buildup. Rinse surface by hosing with water or with high pressure washer (low psi recommended). Mop rinsing is possible with a clean soap free mop and clean hot water. Cycle cleaning and rinsing may be necessary.

WARRANTY: Neither manufacturer nor seller have any knowledge or control concerning the purchaser's use of the product. No expressed warranty is made by manufacturer or seller with respect to the results of any use of the product or

container that the product comes in. No implied warranties including, but not limited to, an implied warranty of merchantability or an implied warranty of fitness for a particular purpose are made with respect to the product. User shall rely on his or her own information and tests to be determine suitability of the product for the intended use and user assumes all risk and liability resulting from use of the product. Neither manufacturer nor seller assume any liability for personal injury, loss or damage resulting from the use of the product. We do not suggest or guarantee that any hazards listed herein are the only ones which may exist. In event that the product shall prove defective, buyer's exclusive remedy shall be that the seller or manufacturer shall, upon written request of buyer, replace any quantity of the product which is proven to be defective or shall, at its option, refund the purchase price of the product upon return of the product. Manufacturer shall not be responsible for use of this product in a manner to infringe on any patent held by others.
